Llyn Peris, Llanberis. There are two local saints at Llanberis—Peris and Padarn—and two lakes named after them—Llyn Padarn (one and a half miles long) and Llyn Peris, the upper and far more beautiful one, [illegible] lake is very deep and used to be famous for its trout, but the slate-quarry's refuse is sadly spoiling its beauty and productiveness.

Printed in England.
